DISCOVER BLACK

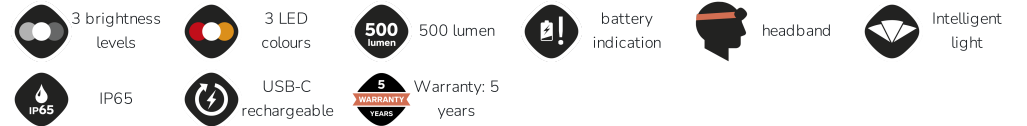

ART. NO. 38494

The adventure of nature awaits. The durable Discovery headlamp has a light output of 500 lumens, a comfortable wide headband. The design is dust-tight and water-resistant according to IP65. The headlamp's red light mode preserves your night vision and the orange light enables better map reading. Both Discover headlamps feature Hybrid technology, meaning they are compatible with both rechargeable Silva Hybrid Battery (included in Discovery Hybrid) and AAA batteries.

/// FEATURES

- Max mode: 500 lm / 2 h burn time / 80 m light distance
- Med Mode: 100 lm / 5 h burn time / 20 m light distance
- Min mode: 15 lm / 40 h burn time / 7 m light distance
- Hybrid technology - enabling use with a rechargeable battery or 3xAAA batteries (batteries not included)
- Silva Intelligent Light - combining long reach spot light and close flood light
- Red light - preserves your night vision
- Orange light - enables better map reading
- Comfortable fit with wide headband
- Compatible with Helmet Mount (sold separately)
- Super-low mode (15 lumen) - saves battery and perfect for reading
- COB-LED for less shadows and wider light for close distance
- Battery level indicator in four levels
- Fully dust tight/water resistant and meets the IP65 standard
- Smooth buckles for smooth adjustment of the headband
- Button lock to prevent the lamp to start by accident
- Rubber reinforcement to increase shock resistance
- Weight: 68g

	True Lumen ANSI	Burn Time ANSI	Light distance ANSI
MAX	500 lm	2 h	80 m
MED	100 lm	5 h	20 m
MIN	15 lm	40 h	7 m

Lumen, burn time and light distance are measured according to the [ANSI FL1 STANDARD](#). Burn time is presented as a span with the lowest and highest value in various conditions. For more information about ANSI and how different factors affect the burn time and light output; have a look at our headlamp guide at: www.silvasweden.com
